The Endowment Fund

-Center for Mathematical Sciences, Wuhan, China

Center for Mathematical Sciences is a mathematical research and education institution. Its mission is to promote interactions between mathematics and other disciplines, and to connect branches of mathematics.

We seek the support of friends who share our vision. We invite you to invest in the best and most promising students and professors. Your donation will help enrich and improve our programs including: East Lake Lecture in Mathematics; Endowed Scholarships; Endowed Labs; Endowed Professorships and Endowed Library. Thank you for your interest in shaping the future of our center.

To make a donation to the Center for Mathematical Sciences, please contact:
